

RANGER - SPECIALTY HEAVY DUTY

Designed to handle all the "TUFF STUFF" the Ranger is well suited for the pro fisherman and die-hard anglers.

Available in a 460 & 490 and incorporating the samurai hull which features a swept bow, reverse chine and a 4mm bottom, with both models featuring 3mm sides.

With the checker plate floor and 3 seat positions the deck can be opened up to give you the

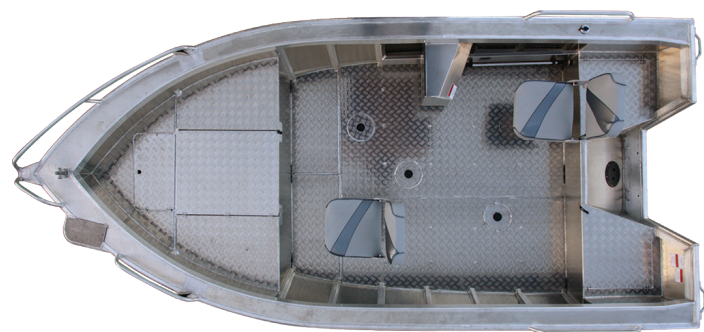

freedom to move comfortably about your boat as you reel in the big one! The 460 Ranger is also available in the Sports Model as an optional feature, with the 490 only available as a Ranger Sports.

With the features of these two models, together with the size and strength they will certainly be able to get the job done.
