

# 448 AVENGER STOCK BOAT

In Stock & Ready To Go

## BOAT OVERVIEW

The 4.48 Avenger features our reverse chine which enhances the stability at rest, makes for easier planing with minimal power, therefore giving optimum fuel efficiency. This model has a maximum hp rating of 50, together with an external keel fitted for easier tracking. This open plate model with its 3mm sides and 3mm bottoms will handle all the "tuff stuff". Plenty of storage with front and rear cast platforms with hatches. A 70 litre under floor fuel tank together with a half fuel tank rack under the front cast platform gives the capacity to carry plenty of fuel.
