

428 MAGNUM 2 STOCK BOAT

In Stock & Ready To Go

BOAT OVERVIEW

The new era Magnum, traditionally a dinghy with two thwart seats was a standard dinghy requirement, now a dinghy to meet our changing times. The Magnum2 has a 3mm bottom and 2.5mm plate sides as standard, the traditional two thwart seats are still featured, however a part cast platform is fitted off the front thwart seat. An anchor well (plastic with drain) is a practical addition in the front deck, as well as a wide ¾ floor fitted between the seats, with a carpeted tank rack behind the rear thwart. Also to make life easier a rear step and rail on the portside has been fitted, as well as front rails and rear rails add to the features. Whether your boat is big or small, electronics is nearly always a requirement so a switch panel plate is fitted for this purpose.
