BOAT OVERVIEW

The TITAN centre cab is a great all round platform for fishing, diving or extended over night trips. Built on the popular Samurai Hull the Titan has 360 degree fishability with easy access to the bow/anchor well – perfect for reef fishing or sports fishing for pelagics. The wide body gives greater deck space and optimal stability with a heavy duty ladder and dive door giving great access for diving or swimming. The cabin is large enough to sleep two adults with storage below the bunks to stow your gear. Several factory optional extras are available so you can personalize to suit your needs.

ADDITIONAL OPTIONS INCLUDED
